

Software used (Template)

I used the following software when writing my thesis:

Used Software Version, Dates of use		Use case What did you use the software for?	Scope Affected pages/chapters	Comments
Microsoft Copilot (ChatGPT 4)	03.11.2024	Creation of research question	Chapter 1, p. 2	Chat history in Appendix 2
	02.01.2025	Creation of program code to visualize the research data	Chapter 5, pp. 35–37	with Python
	16.01.2025	Linguistic quality improvement	Entire work
