Technische Berichte

Dokumenttyp: Technical Report
Autor(en): Haim Kilov; Bernhard Rumpe
Titel des Berichts: ECOOP'97 Workshop on Precise Semantics for Object-Oriented Modeling Techniques
Abstract: No online version available. As long as there are copies available, you may receive one by either Bernhard Rumpe, rmpe@forsoft.de or Haim Kilov, haim_kilov@ml.com

Titel der Vorträge mit Sprecher:
- Clarity and Context - Angelo E. Thalassinidis
- On the Specification of Electronic Commerce Economics - Geoff Mullery
- Discovering, Displaying and Agreeing Semantics in an Environment of Conflicts - Haim Kilov
- Business rules: from business specification to design - John Howse
- Semantics through Pictures: Towards a diagrammatic semantics for OO modeling notations - Dominique Sidou
- Precise semantics for a Behavioral Model in the Context of Object Based Distributed Systems - Bernhard Rumpe
- Towards a Precise Semantics for Object-Oriented Modeling Techniques - K. C. Lano
- Formalising Object-Oriented Models in the Object Calculus - B. Cohen
- Set Theory as a Semantic Framework for Object Oriented Modeling - Juergen Ebert
- Integration of Z-Based Semantics of OO-Notations - J.-M. Bruel
- Integrated Informal Object-Oriented and Formal Modeling Techniques - Gary W. Daugherty
- Unification of the Models for Types, Classes and State Machines - K. Periyasamy
- An Axiomatic Semantics for Object Modeling Technique - Jean Bezivin
- Ontology-based Layered Semantics for Precise OA&D; Modeling - Reino Kurki-Suonio
- Liberating Object-Oriented Modeling from Programming-Level Abstractions - Andy Schuerr
- Experience with Formal Specification of CMM and UML - Roland Trauter
